Minutes

Meeting was called to order and roll call was taken.

- In attendance: Cody Dalton and Cindy Asberry
- Guest: Joe Ziegler from EDSI

Minutes from the April 4, 2022 meeting will be reviewed at the October committee meeting since attendance was low for the July 8th meeting.

Joe Ziegler was introduced as the interim Program Manager.

Cody discussed the outreach plan and committee for inclusion. He would like a clear set of procedures and responsibilities of committee members, the actions that the committee will take, how ideas are proposed, how they are carried out, and what impact that will have on the SCWIB. He has asked for guidance from WIOA about this. Cindy Asberry will provide that information after researching it. He would like to see that the committee come to an agreement on what goals should be identified to increase participation in the WIOA program.

Cody believes that the outreach plan still needs to be modified. He would like a more focused plan that allows for an action matrix including how to implement outreach, the goals, and what resources can be utilized as well.

Cindy reviewed the quarterly outreach that was performed throughout the region and was asked by Cody to share that list with committee and board members. A recent participant count was also requested to be sent out as well.

The meeting was adjourned.

Next meeting October 4, 2022 by WebEx, at 3:00 pm.
