Scott and Alicia left the meeting so that the committee could discuss the One Stop, WIOA Adult and Dislocated Worker RFP benchmarks. Members of the committee would like to see a benchmark for employer services. Dennis and Shelia would like to see the measure pertain to Apprenticeship information and referrals provided to employers. Valarie will need to check the system to see if that information is available in the system. All members agreed that Financial Literacy, Work Experience and OJT were good benchmarks. Members would like to see the benchmark for disability remain. Members would also like to see benchmarks for workshop attendance.
