**Subject:** Governor Parson Signs Executive Order 18-11; Vote Needed

Executive Committee Members:

Governor Parson signed Executive Order declaring state offices to be closed on Monday, December 24, 2018. I make the recommendation to update SCWIB Holiday Policy (see attached) that staff may have Christmas Eve off paid if approved by the Governor. SCWIB's previous policy did not include Christmas Eve.

Please reply with your vote.

**Subject:** Governor Parson Signs Executive Order 18-11

As we begin the Christmas season with the lighting of the People's Mansion, let us take time to rejoice, give thanks, and help those in need. May we also pause to reflect on the important relationships that we have in our lives. For it is our family and friends close to our hearts who make this a joyful season. With Christmas Eve falling on a Monday, I have signed Executive Order 18-11 declaring state offices to be closed on December 24, 2018, so that you will have time to celebrate and be with your loved ones. We appreciate all you do for the state each day working to make Missouri better.

From my family to yours, we wish everyone peace, joy, goodwill, and a very Merry Christmas.

Governor Parson
